

## English Proficiency Language Course

By Ms. Gaurika Singh

# THE NEXT BIG CHANGE FOR FUTURE 2.0

Our family or more specifically our tribe aims to enhance the overall well being and help meet basic and complex needs of community and people. We are working with and for different people particularly focusing on those who are vulnerable, oppressed or living in social, mental or emotional poverty. This makes us stand out of the other communities on this platform.

**Join Homeflc Wegrow and find your growth!!**

## ABOUT HOMEFLIC WEGROW

Homeflic Wegrow is a tribe of young enthusiasts, which envisions the holistic growth of students and youngsters all over the world. We have a wide spectrum of mindsets and personalities that are willing to learn and grow. We have developed a platform to showcase their talents, discuss their issues, talk about trending topics and build stronger bond. We wish to give voice to unuttered words and unexpressed thoughts. We recognise the need and value of expanding networks and growing together progressively. Our main objective as the largest youth tribe is to reach out to young curious minds and provide them with guidance and help them in every possible way.

We offer 17+ dynamic courses such as Ethical Hacking, Digital Marketing, Coder's Python, Web and App Development, Graphic Designing, Spanish Language among many more such courses which are futuristic and highly relevant. We focus on the vocational model of learning so that students are able to acquire the right skill set and add value to themselves. The tribe is purely devoted towards the holistic development of a student. We are an inclusive tribe and we welcome all of you provided you are willing to learn and grow, further more you should be ready to become super cool!!
